2 Sara, Mike and Molly are best friends at a college in England. Complete these sentences about them.

- Sara is 17 years old, Mike is 18 and Molly is 16.
Sara is older (old) than Molly, but she's _____ (young) than Mike.
- The _____ (old) of the three is Mike.
The _____ (young) of the three is Molly.
- Mike is 1m 80 tall, Sara is 1m 70, and Molly is 1m 60. Is Molly _____ (tall) than Sara? No, she isn't. She's _____ (short) than Sara.
- Who is the _____ (tall) person? That's Mike. And the _____ (short) is Molly. Yes, that's right!

- 3 Sara, Mike and Molly all like pizza. There are three places in their town where they can buy it – Pizza Italiano, Pizza-to-go, and Pizza Palace. Choose one of the adjectives below and complete the text. (There is often more than one answer.)

cheap • expensive • delicious • nice • good

Sara likes the pizzas from Pizza Italiano. Pizzas here cost about £5, so they're the (1) most expensive, but Sara thinks that they are the (2) _____. Her favourite is the Pizza Margherita. Mike likes the pizzas from Pizza-to-go. He thinks that they're the (3) _____ pizzas in town.

And they only cost around £2.50, so they're also the (4) _____. Molly likes the pizzas at Pizza Palace. They cost about £3.50, so they're (5) _____ than the pizzas from Pizza-to-go but they are also (6) _____ than the pizzas from Pizza Italiano. Molly loves the pizzas here, however. They're really tasty (*lecker*). She is sure that they are the (7) _____ pizzas in town.

Pizza Italiano £5

Pizza-to-go £2.50

Pizza Palace £3.50
