

## English: Tasks week 3

Dear all,

I wonder if this is really the last week of our digital lessons, at least the easter holidays are starting next Friday for sure!!!!

So let's work on some final exercises:

### 1. Topic: Irish Music / Folk Music

Traditional songs, played on traditional instruments are very popular among all generations in Ireland. Unlike in Germany you can go in a pub in any village or town and experience a great evening singing drinking songs while enjoying a pint of Guinness or other beer.

One of the most famous songs is „Molly Malone“.

- Listen to the song.
- What's the lyrics about?
- What's the true story behind Molly Malone.
- Do some research and write a text – IN YOUR OWN WORDS!!!!
- Hand in your text by Friday

While writing enjoy listening to other drinking songs on youtube. Maybe you'll recognize some Kölsch songs that copied the Irish melody!!!!

### 3. textbook p 85: Survival Trip

Well done! I wish you a happy Easter Holiday, enjoy your freetime, explore Cologne as far as it's possible and allowed.

I'm looking forward to seeing you all back at school.  
Take care
